INSIDE EVERY TIER

Every SearchQ account carries business news from the thirteen Regional Business Magazines, filed by market and industry, inside the tool where you work.

QUESTIONS

Is there a free trial? Yes. Every tier starts with a 14-day trial, and we email you 7 days and 1 day before it ends.

What happens when I reach a limit? Move up a tier, buy an add-on where one is listed, or move to your own VPS, which we quote separately.

Who sets it up? You do, in a few guided steps after you start. Our support team is in My Account under Support if you need a hand.

Where does it sit? SearchQ is one of seven Cloud Tools by Cabanga Africa Group, sold from cabanga.africa/cloud-tools.
